Department contact:

Tip or Complaint:

I'd like to report an odor nuisance coming from MAT Asphalt. I live in the neighborhood. From my home, the smell from the asphalt plant at this time is very intense and offensive. It smells like chemicals. The weather is currently overcast. The smell effects me because I would like to open my windows for fresh air, but the smell is so bad that I'm not able to do so. The smell is also a problem today as I go outside to do yard work or go for a walk. I will have to stay indoors as much as possible with the windows and doors closed while this smell is present in the neighborhood air.
